Hi Xiaodan,

It's been a while since I looked at this so I'll get back to you a little later, hopefully by COB Friday.

In the meantime, did you get access to the data spreadsheets that Clary and Cosette sent over for the 308? You would have probably accessed the shared OneDrive I set up in June 2017 or so.

Hi Undine,

I am helping Cathy with the review of this permit. Just wonder if you used a spreadsheet for any calculations and/or for all the data from 308 letter, if so, could you share with us?

Thanks!
Xiaodan
